GRS DANIEL PRAST, JR.—This well known candidate for the Presidency will address the people at South Market Hall this erening on the momentous subjects of the day. An immense revow will be present and in addition to usual exercises on occasions of this sort, a grand presentation to the made. On all ye and hear the General. Flaais,—size of Rope does, No its, newy Fri-oren ne no cookin as male fail, defende Weis i Waone serves, taird floor control of Weis oren, to the conclusion that the game was up and the text of the conclusion that the games was up and the text would have to be cut all right, it being then after a vicker. Determined that his passengers about he made as comfortable as possible, Mr. Hibbard charlered a leant and came to Ghicage for provisions. Applying to Mr. Drake of the Tremont, he was supplied with an ample quantity of good things. Starting back for the tynia he pracised it about 2 o'clock in the morning, finding his passengers contented and cheerful to an atomishing degree and keeping up glowing fires in the stoves. Breakfast was soon served, picenic fashion. Nothing could be done to get the track clear and neither wood nor assistance came from Chicage, the afficient was one site of the track clear and neither wood nor assistance came from Chicage, the afficient was no clock P. M., a freight and wood train arrived, and Mr. Hibbard at once proceeded to work with the three engines on hand and cleared the track so as to reach this city at a clock that night—all asks and sound.

Mr. Hibbard is a trump indeed and those who sarrout themselves to his care may be sure of being made confortable and of having a good time. When you go take his 'train.

As "Old Survana' Survana.—To-day the American House goes into the hands of Messre. Church & Hissell. Yesterday the bearders and their friends partook of a samptoness diffure, given by the retiring hindlerd, Wm. R. Kish, Esq., which was one of those pleasant and unostentations affairs that reflect allicered the property with its prosperity. Although repeatedly affron to the wall through lower by fire, Acc., he has as often tackled on "the harmons of fiferency may be also do the free from public life with a goodly share of "anckson currency," and which is as well aarned—the manimous pood wishes of his many personal friends.
